Last updated October 20, 2021.

Basic Info

Research Interests

Black hole information paradox, Gauge/gravity duality.

Education

2019 – ONGOING

Ph.D. in Theoretical Physics

The Institute of Mathematical Sciences, Chennai

Thesis : Black Hole Dynamics & Holography

Supervisor : [Roji Pius](#)

2014 – 2019

(Integrated) M.Sc. in Physics

National Institute of Technology, Rourkela

Thesis : Anisotropic Thermalization in Strongly Coupled Field Theory via Gauge/Gravity Duality

Supervisor : [Subhash Chandra Mahapatra](#)

Work Experience

Conferences/Workshops

Attended

Awards & Achievements

Teaching Experience

Languages

Non-academic Duties
